Dear Colleagues,

We are thrilled to invite you to the International Scientific Events 2026, a renowned annual conference series that brings together researchers, scientists, and professionals from around the world.

Event Highlights

Set against the scenic Bulgarian Black Sea coast, these conferences will be held in Burgas this August 2026.

Conference Schedule:

- **Agriculture and Food** – 14th International Conference | August 10–13
- **Ecology and Safety** – 35th International Conference | August 10–13
- **Materials, Methods, and Technologies** – 28th International Conference | August 13–16
- **Economics and Business** – 25th International Conference | August 16–19
- **Education, Research, and Development** – 17th International Conference | August 19–22
- **Language, Individual, and Society** – 20th International Conference | August 19–22

All events will be hosted at the Burgas Hotel, with in-person and virtual participation options.

Key Details:

- Submission, Registration, and Accommodation: For detailed information, visit the conference website at <https://sci-edu.org/>

These conferences advance knowledge and foster collaboration across disciplines. Let's come together to shape the future of science, technology, and society!

We are excited to see you participate.

Warm regards,

Ivan Genov
