FULLY ONLINE

ONLINE PROFESSIONAL TRAINING EVENT

European Centre for Modern Languages (ECML) – Council of Europe

This two-day online training event explores key developments of the **CEFR Companion Volume** (2020), with a particular focus on mediation, its role in language education, and its implementation in teaching, learning and assessment.

Drawing on resources from the CEFR Companion Volume Implementation Toolbox (VITbox) and the Mediation in Teaching, Learning and Assessment (METLA) project, participants will explore practical ways of integrating mediation into their own educational contexts. The training will focus on the development and use of effective mediation materials and tasks, the action-oriented approach, constructive alignment, and approaches to assessing mediation in language education.
